

325081

INDIANA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT

INDIANAPOLIS

OFFICE MEMORANDUM

DATE: September 8, 2008

TO: Mark Jaworski, Site Investigation

THRU: James Sullivan, Chief
Ground Water Section,
Drinking Water Branch

FROM: Adam Watts, Environmental Manager 2

SUBJECT: Lane Street (addresses 53514 thru 53706) and Barley Street, Elkhart, IN
Wellhead Protection Search Determination.

Upon review of the above referenced site, Lane Street addresses 53514 thru 53706 and 2 residential properties on Barley Street located in Elkhart, Indiana, **are not** located within a Wellhead Protection Area.

These results were determined using the most recent and accurate data available to the Indiana Department of Environmental Management (IDEM). If you have any questions regarding this determination please contact Jim Sullivan at jsulliva@idem.in.gov or myself at awatts@idem.in.gov.
